Spanning over two thousand years in total, what is called ancient Egypt was not one stable civilization, but instead a civilization in constant change and upheaval commonly split into periods by historians. Likewise, ancient Egyptian architecture is not one style, but a set of styles with commonalities used during each period of ancient Egyptian history.

More about the NSA's Tailored Access Operations Unit. Der Spiegel has a good article on the NSA's Tailored Access Operations unit: basically, its hackers. "Getting the ungettable" is the NSA's own description of its duties. "It is not about the quantity produced but the quality of intelligence that is important," one former TAO chief wrote, describing her work in a document.
