We All Remember being on what seemed like an end-less journey to grandma's house or the grand canyon and asking "Are we there yet?" In America's cities and towns, we are having one of those "Are we there yet?" moments although it seems the GPS is malfunctioning and we have lost the ability to chart a course toward our future.

Grammar focus: have yet to. The phrase "have yet to" can be confusing! The present perfect tense in English can be difficult at the best of times, but the use of "have yet to" is another challenge for English learners. A student came to see me the other day with a letter that he couldn't understand.
