Amazing Life incidents of Swami Vivekananda | Spiritual

Science fiction will sometimes address the topic of religion. Often religious themes are used to convey a broader message, but others confront the subject head-on—contemplating, for example, how attitudes towards faith might shift in the wake of ever-advancing technological progress, or offering creative scientific explanations for the apparently mystical events related in religious texts ...

Complexity characterises the behaviour of a system or model whose components interact in multiple ways and follow local rules, meaning there is no reasonable higher instruction to define the various possible interactions.. The term is generally used to characterize something with many parts where those parts interact with each other in multiple ways, culminating in a higher order of emergence ...

Avoidance Symptoms - When you have unwanted thoughts and feelings intruding on your life and your body is in a heightened state of arousal to guard against harm, it is natural to want to escape. This phenomenon is part of what brings on avoidance symptoms. Avoidance symptoms are just that, they are symptoms that allow you to avoid your feelings and what you are experiencing in the moment.
