Dell traces its origins to 1984, when Michael Dell created Dell Computer Corporation, which at the time did business as PC's Limited, while a student of the University of Texas at Austin. The dorm-room headquartered company sold IBM PC-compatible computers built from stock components. Dell dropped out of school to focus full-time on his fledgling business, after getting \$1,000 in expansion ...

Austin City Council will return to its first work session of the year on Jan. 29, and according to a post by Mayor Steve Adler on the City Council Message Board, one of the first topics it will take up is the membership of Council committees, the Planning Commission and intergovernmental entities. Though Planning Commission terms are set to expire in June of this year, the recent voter ...
