Infant Toys (Ages 0 - 3 Years) Keep your little one engaged and developing with colorful infant toys designed to captivate and challenge. Rattles and stacking toys keep little hands occupied and help to promote everything from basic interaction to hand eye coordination; look for rattles with multiple textures to sooth your teething baby.

The literal meaning of 'Barzakh' is a veil or a barrier that stands between two things and which does not allow the two to meet. For example, that part or region of the ocean in which waves of both the sweet and the salty waters bounce and yet God has provided between them an invisible barrier whereby one cannot overcome another. He has made the two seas to flow freely (so

Play is essential to development because it contributes to the cognitive, physical, social, and emotional well-being of children and youth. Play also offers an ideal opportunity for parents to engage fully with their children. Despite the benefits derived from play for both children and parents, time for free play has been markedly reduced for some children.
