

beast academy math guide pdf

Now, Beast Academy brings AoPS's problem-solving approach to elementary math education, helping students leapfrog way ahead of most standard math curricula. In the Classroom Beast Academy is set up to work as a complete math program.

Beast Academy

Beast Academy is a challenging curriculum for students in grades 2-5. Download printables and pre-assessments that accompany the books.

Beast Academy - Resources - Printables

When complete, Beast Academy will provide a full, rigorous, and entertaining curriculum for aspiring math beasts in grades 2-5. The series consists of four two-book sets for each grade. The Guide book of each set presents the lessons and the Practice book provides exercises and problems to reinforce the lessons.

Beast Academy 4A: Guide and Practice - Problem solving

Beast Academy is a mix of both leading with discovery (as far as curricula go) and instructional. My main complaint so far, after reading all 4 of the level 3 guides, is that it takes the approach of moving procedures up, as if that makes it more rigorous.
