Religious skepticism is a type of skepticism relating to religion. Religious skeptics question religious authority and are not necessarily anti-religious but skeptical of specific or all religious beliefs and/or practices. Socrates was one of the most prominent and first religious skeptics of whom there are records; he questioned the legitimacy of the beliefs of his time in the existence of the ...

Religious skepticism - Wikipedia

A new religious movement (NRM), also known as a new religion or alternative spirituality, is a religious or spiritual group that has modern origins and is peripheral to its society's dominant religious culture. NRMs can be novel in origin or part of a wider religion, in which case they are distinct from pre-existing denominations. Some NRMs deal with the challenges posed by the modernizing ...
