BENIGN OR IMPERIAL? Reflections on American Hegemony The Boyer Lectures 2003 By Owen Harries ABC Books, Rec. price: \$22.95 A seasoned foreign affairs commentator and self-styled realist, Owen Harries has profound misgivings about the inordinate power the United States of America wields in today's world.

### **BOOKS: Benign or Imperial? Reflections on American**

With the collapse of the Soviet Union, the United States of America was left as the world's sole superpower - and the first global hegemon. Historically, hegemons have always been opposed by other states that fear their power. Will the United States be the exception? Does the fact that it is a democracy make a difference? Is the phrase 'benign hegemon' an accurate description or a ...

imperial power in the name of the em-peror, though they did not hold the imperial title itself. Thus the emperor was a mere figurehead while the house of Fuji-wara ran the country. When the Emperor Go-Sanjo came to the throne in 1068, he was determined to break the power of the Fujiwara, and bit by bit he reclaimed imperial authority from them.
