“A good laugh and a long sleep are the best cures in the doctor’s book.” Irish Proverb The evidence for the health benefits of adequate, restful sleep is overwhelming. Decades of research has shown that sleeping between 7 and 9 hours per night can relieve stress, reduce the risk of many chronic diseases, improve memory and cognitive function, and may even help with weight loss.

Jesse Stone is the lead character in a series of detective novels written by Robert B. Parker. They were among his last works, and the first series in which the novelist used the third-person narrative. The series consists of nine books, starting with Night Passage (1997) and ending with Split Image (2010), which Parker completed before his death in January 2010 but did not live to see published.
