Association football, more commonly known as football or soccer, is a team sport played with a spherical ball between two teams of eleven players. It is played by 250 million players in over 200 countries and dependencies, making it the world's most popular sport. The game is played on a rectangular field called a pitch with a goal at each end. The object of the game is to score by moving the ...

College soccer is played by teams composed of soccer players who are enrolled in colleges and universities. While it is most widespread in the United States, it is also prominent in South Korea and Canada. The institutions typically hire full-time professional coaches and staff, although the student athletes are strictly amateur and are not paid.
