Dick and Jane are the main characters in popular basal readers written by William S. Gray and Zerna Sharp and published by Scott Foresman, that were used to teach children to read from the 1930s through to the 1990s in the United States.. The main characters, Dick and Jane, were a little boy and girl. Supporting characters included Baby (or Sally), Mother, Father, Spot (originally a cat in the ...

Before the development of lower-case letters in the 8th century, texts in the Latin alphabet were written in a single case, which is now considered to be capital letters. Text in all caps is not widely used in body copy. The major exception to this is the so-called fine print in legal documents.. Capital letters have been widely used in printed headlines from the early days of newspapers until ...

However, if you are discussing, for example, the historical context in which the episode originally aired, you should cite the full date. Because you are specifying the date of airing, you would then use WB Television Network (rather than Mutant Enemy), because it was the network (rather than the production company) that aired the episode on the date you're citing.
