

seeds that give participatory pdf

Participatory action research (PAR) is an approach to research in communities that emphasizes participation and action. It seeks to understand the world by trying to change it, collaboratively and following reflection. PAR emphasizes collective inquiry and experimentation grounded in experience and social history.

So you've been asked to run a workshop or skillshare? Sharing knowledge and skills is an important part of contributing to our communities - and doing this means the wheel doesn't have to be continually reinvented.

A short guide to facilitating workshops - Seeds for Change

Anarchy is a society, entity, group of people, or a single person that rejects hierarchy. The word originally meant leaderlessness, but in 1840 Pierre-Joseph Proudhon adopted the term in his treatise *What Is Property?* to refer to a new political philosophy: anarchism, which advocates stateless societies based on voluntary associations. In practical terms, anarchy can refer to the curtailment or ...
