Although "tree" is a term of common parlance, there is no universally recognised precise definition of what a tree is, either botanically or in common language. In its broadest sense, a tree is any plant with the general form of an elongated stem, or trunk, which supports the photosynthetic leaves or branches at some distance above the ground. Trees are also typically defined by height, with ...

Prophet generations are born after a great war or other crisis, during a time of rejuvenated community life and

consensus around a new societal order. Prophets grow up as the increasingly indulged children of this post-crisis era, come of age as narcissistic young crusaders of a spiritual awakening, cultivate principle as moralistic midlifers, and emerge as wise elders guiding another ...

Dylan Matthews writes a critique of effective altruism. There is much to challenge in it, and some has already been challenged by people like Ryan Carey. Perhaps I will go into it at more length later. But for now I want to discuss a specific argument of Matthews's. He writes " and I am editing ...
