close preaching. And the merciful Redeemer Himself, in the opening of His ministry, and before He spake much concerning remission of sins, preached a sermon which in its searching and self-revelatory character is a more alarming address to the corrupt natural heart, than was the first edition of it delivered amidst the lightnings of Sinai.

William G T Shedd, Sermons to the Natural Man

"Among the natural rights of the colonists are these: First a right to life, secondly to liberty, thirdly to property; together with the right to defend them in the best manner they can." Related Sermon Illustrations
