There must doubtless be an unhappy influence on the manners of our people produced by the existence of slavery among us. The whole commerce between master and slave is a perpetual exercise of the most boisterous passions, the most unremitting despotism on the one part, and degrading submissions on the other.

Are some sexual positions better than others for conceiving? There's no evidence that any particular sexual position is more likely to lead to conception. You may have heard that some positions, such as the missionary position (man on top), are more promising than others because sperm is deposited closest to the cervix, but there aren't any scientific studies to back this up.
