Hydra (Greek: Ἰθάκη, pronounced in modern Greek) is one of the Saronic Islands of Greece, located in the Aegean Sea between the Saronic Gulf and the Argolic Gulf. It is separated from the Peloponnese by a narrow strip of water. In ancient times, the island was known as Hydrea (ἡδρα, derived from the Greek word for "water"), a reference to the natural springs on the island.

Hydra (island) - Wikipedia
