The incremental learning derives its name from the incremental nature of the learning process. In incremental learning, all facets of knowledge receive a regular treatment, and there is a regular inflow of new knowledge that builds upon the past knowledge.

SuperMemo: Incremental learning

Company Culture and Transparency Rank High in Attracting Customers When it comes to factors other than price and quality, culture and transparency are the most important values that attract consumers. While there has been ample talk about culture in the context of hiring talent, buyers are also attracted to companies that care.
