

sociology brief version with pdf

The sociology of education is the study of how public institutions and individual experiences affect education and its outcomes. It is mostly concerned with the public schooling systems of modern industrial societies, including the expansion of higher, further, adult, and continuing education.. Education is seen as a fundamentally optimistic human endeavour characterised by aspirations for ...

Sociology of education - Wikipedia

In sociology, social psychology, also known as sociological social psychology or microsociology, is an area of sociology that focuses on social actions and on interrelations of personality, values, and mind with social structure and culture. Some of the major topics in this field are social status, structural power, sociocultural change, social inequality and prejudice, leadership and intra ...
